BUNNINGS SAUSAGE FOR UNITED STARZ NETBALL

Friday 9 May - all day

We have been very lucky to secure a Sausage Sizzle day at Bunnings Carseldine on Friday 9 May. We are looking at least 5 helpers for each time frame during the day. We understand this is a work day for most, but for those who work part-time, from home etc. we would love to hear from you. We can work shifts around school pick-ups as well. A great way for our Senior Players to earn back their volunteer levy.

If you can help can you please contact our Fundraising Co-Ordinator Kim Chambers at kimchambers@optusnet.com.au or 0414 686 204.

ATTN: SENIOR PLAYERS

FEEL LIKE CELEBRATING (OR COMMISERATING) AFTER A GAME OF NETBALL

Our very own club house is open every Saturday and is just around the corner from the PRNA courts - a great place to kick back, dissect the game and support our club at the same time. If you pick an afternoon when the Football Divisions (details in the PRUSC United Chatters) have their home games the canteen will also be open and you get some free entertainment as well.

UNITED STARZ HAS PRNA GROUND DUTIES

Round 6 - Saturday 3 May

We have been rostered on for Ground Duties on Saturday 3 May. A full explanation of duties will be in the next issue of Shooting Starz. It is expected that all teams playing will assist in ensuring that the duty is completed.

TEAM PHOTOS

Saturday 24 May - Please keep the full day free

We have booked Brett from BGM Images to take our team photos again this year. From the feedback last season our families were very happy with the finished product. The photos will be taken at the PRNA courts during a fixture Saturday (which was also chosen after looking at the parent feedback received last season).

We ask that at this stage you mark off the whole day on your calendar. Although we do try to keep the photos times close to when your team plays it is difficult to try to get 26 teams photographed while they are still looking fresh and then fitting this in with availability of Coaches and Umpires who are also Players. Some teams may also have to be photographed after their game. Some morning teams may be asked to come in the afternoon and vice versa.

Even if you do not want to purchase a photograph yourself it is important that all players make themselves available for the photo so that we can get a 'full team' photo.

Your Manager will be handing out order envelopes in the next few weeks with further instructions.

TEAM SPOTLIGHT

On our Website in Photo Gallery

This week we Spotlight our Modified 9 Twinkles, Modified 10 Sparklers and Modified 10 Orion.

It is a great idea to visit our website at least once each week to check out the photos and just to see what is happening.

Coach: Lisa Everson

Twinkles vs Blues Seahorses
Mob: 0434 003 755 **Email: lisa.everson1@optusnet.com.au**

The Twinkles girls had another great game on Saturday. Kasey, Mykaela and Kianna were fantastic in moving the ball round the court, which kept the game flowing well. Shanae was wonderful in defence and also ran the mid court with more confidence. Well done! Amy, Lilita, Jade and Mykaela did an amazing job this week in scoring our goals. Holly broke her arm this week so she was our No.1 cheer girl.

Our Boost Juice award this week goes to Jade. She was outstanding in defence and her intercepts were perfectly timed. Jade gives 100% every week in all the positions she plays. Great work Jade! Well done to all the Twinkles girls!

Round 5: Saturday 12 April at 9.30am Court: 13 Versus: Pinecones Tigers

Modified 10's - Neons

Neons vs Brothers 09
Mob: 0427 270 884 **Email: lauraholbird@hotmail.com**

Well done to the Neons for another great game, this week being rewarded with a win against Brothers 30 - 5. The shooting was amazing and our defence was strong keeping Brothers from scoring any goals in the second half of the game. We are very happy with everyone's efforts and we are looking forward to training on Thursday.

What a great game on Saturday. We versed Ace Magpies and won. Our first win of the season and you deserved it. Mikayla and I are very proud of you all :) Every girl played an excellent game and brought 100% effort to the court. Congrats to Stella, our Star of the Week, you had a beautiful game on Saturday and are always a pleasure to coach. Just a reminder that we are playing on Saturday. Good job girls :)

Game 4 of the season, and United Sparklers have certainly clicked as a team. Their confidence is growing week by week. This was evident today in the game against Sandgate. The girls were spreading out and their passing and moving down the court was fantastic. We are very proud of our girls.

Well done to Amy, who won the Boost Juice award this week. Amy gives 100% in any position she plays.

**11B's - Shimmer****Coach: Rylee Woodgate****Shimmer vs ACE Seagulls****Mob: 0438 102 439****Email: woodgate.rylee@hotmail.com**

Another very hot day and everyone should be happy with how you played. With only 7 players you all pushed 100%. Unfortunately we sat and waited behind our opposition today which gave them a lot of easy intercepts. We need to remember to get in front and call for the ball. Our footwork - what an improvement from last week - was great to see us thinking about it. Hope to see you all at training where we will be doing a lot of running to get in front and big strong passes!

Round 5: Saturday 12 April at 9.30am Court: 3 Versus: Blues Turtles

**12B's - Capricorn****Coach: Kim Chambers****Asst Coach: Rachel Toohey****Capricorn (35) vs ACE Bellbirds (2)****Mob: 0414 686 204****Email: kimchambers@optusnet.com.au**

Well girls another convincing win again this week. These scores are a real testament to your ability and commitment to the team. I would like to send a big shout out to the girls for really taking on board everything we learn at training and all the tactics we talk about. It is clearly visible from the sidelines that you are bringing your new skills to the game. Unfortunately with us playing so well we can become complacent and during this game we saw some poor choices being made. When you create that chain down the court and use the space effectively the ball flows so much better. Our dodging needs to improve as I saw many of our passes intercepted. With this being said there were some passages of play that were sensational and this is what we need to bring especially when we are put up a grade. Each girl brings something special to this team and it is my job to bring it all together and it is helped by the wonderful team culture we have together, parents and players alike. Congratulations Capricorn girls!

Round 5: Saturday 12 April at 11.00am Court: 13 Versus: Scorpion Steelers

**12C's - Scorpio****Coach: Tracy Carroll****Scorpio (19) vs Dayboro Twisters (22)****Mob: 0430 651 988****Email: tracyroberts1@live.com.au**

Saturday's game took a while for the girls to get started, we played well in the first two quarters and in a last minute change in the 3rd saw our play change. Then in the 4th quarter the girls were on task again, but not enough to catch up. There were beautiful intercepts and footwork is improving, but most of all the girls just kept going. I enjoyed the re offering in the circle that we trained, Hannah your shooting was great and finding space in there was good. Emily played her first fill game in defence, Maddie also played a great game in WD.

Our game is all about team work, I will put you in positions that you might dislike or be unsure on but as a team player you need to go in and do your best. Never give up.

Thanks to Boost Juice in Strathpine I have vouchers for players of the day...this week goes to Victoria for great tips, beautiful intercepts, but most of all positive encouraging talk on and off the court.

See you all Saturday.... Safe trip to NZ Maddie and get better Emily (broken foot).

Round 5: Saturday 12 April at 11.00am Court: 18 Versus: Pinecones Steel

**13A's - Taurus****Coach: Karen Cooke****Taurus vs Blues Mako****Mob: 0426 077 977****Email: kaz.cooke@yahoo.com**

Round 5: Saturday 12 April at 12.30pm Court: 13 Versus: Scorpions Jets

 **14A's - Galaxy** **Galaxy vs United Hercules**
Coach: Lana Spice **Mob: 0412 388 630** **Email: starzcoach@pineriversunited.org.au**

Great effort today girls there were patches today that really worked well which is always pleasing. We need to make sure we are all pressuring the passes from the opposition and try and make it as hard as possible for them to get the ball away. We have a few things to work on and the plan is to all come together a peak at the right time.

Round 5: Saturday 12 April at 11.00am Court: 1 Versus: ACE Sharks

 **14A's - Hercules** **Hercules (38) vs United Galaxy (24)**
Coach: Bernie Toohey **Mob: 0412 420 480** **Email: starzpresident@pineriversunited.org.au**

Congratulations Hercules on another great win in what continued to be challenging and hot conditions. Our friendly opposition, United Galaxy certainly stepped up this week and played well making you have to work hard for all 4 quarters to earn the win. With Kassie away on holidays and Sarah injuring her finger/hand early in the game, Maddie and Gemma both played full games defending our opposing shooters and did a brilliant job continuously turning the ball over in defence. Fantastic effort girls. Unfortunately we will be down a few players (and a coach) next weekend due to school holidays but I am confident that "Coach Erika" and your outstanding netball ability will guide you towards another successful result. Good luck girls!

Best wishes also to all the wonderful Hercules team members and their families for a safe and enjoyable Easter (hopefully filled with plenty of chocolate). See you all in a couple of weeks. Bernie xox

Round 5: Saturday 12 April at 11.00am Court: 2 Versus: North Pine Emus

 **14C's - Gemini** **Gemini vs United Aries**
Coach: Jayne Moritz **Mob: 0450 274 472** **Email: moritzjayne@gmail.com**

Round 5: Saturday 12 April at 11.00am Court: 8 Versus: Pinecones Diamonds

 **14C's - Aries** **Aries (7) vs United Gemini (36)**
Coach: Ashleigh Connell **Mob: 0421 967 255** **Email: aries_coach_2014@outlook.com**

Another incredibly hot day today girls but what an effort you all put in! Well done to Jess, Sophie and Emily who were on fire in the defence end with lots of tips and great pressure! Keep it up :)

Great work Sharny, Corinne and Bronte in the shooting end, you worked the circle a lot better this week and had a great game. :)

Awesome stuff Ashleigh when we got your uniform, you helped move the court and did great work in centre even with the heat! :)

Congratulations to Jess who was woman of the match this week and received the Boost Juice voucher, well done :)

Round 5: Saturday 12 April at 11.00am Court: 9 Versus: Brothers North 6

 **Inter 1 - Eclipse** **Eclipse vs ACE Wildcats**
Coach: Lana Spice **Mob: 0412 388 630** **Email: starzcoach@pineriversunited.org.au**

Not one of our better games girls but I thought we all did a good job defensively, working out our attacking options is going to have to be a key focus for us over the coming weeks. We need to make sure we can capitalize on our turnovers and make good choices with the ball.

Round 5: Saturday 12 April at 2.00pm Court: 1 Versus: Scorpions Redskins

 **Inter 3 - Pegasus** **Pegasus (44) vs Blue Gators (31)**
Coach: Susan Chan-Foon **Mob:** 0435 408 806 **Email:** schanfoon@gmail.com

The Inter 3 Pegasus side are really coming together very nicely so early in the season. It's great to see them all gel so quickly.... they all complement each other and what a magnificent game they had on Saturday. We came away with a win against The Blues 44-31.....so far undefeated... Outstanding player of the game this week goes to Darcy. Well Done!!!

Round 5: Saturday 12 April at 3.30pm Court: 10 Versus: North Pine

We won from a forfeit.

Round 5: Saturday 12 April at 12.30pm Court: 6 Versus: Sandgate Hawks Sharks

 **Inter 4 - Antares** **Antares (21) vs Panthers Purr (21)**
Coach: Donna Schlatter **Mob:** 0402 071 940 **Email:** dschlatter.2@gmail.com

Wow girls what a difference today. I am not sure whether it was because we had 9 players or the hour we spent before the game going through some court positioning; but whatever it was congratulations to you all for a wonderful game today. You all showed signs of beginning to bring the game together as a team. With you all understanding the court positioning a bit more, you certainly were not running yourselves ragged as much as last week. Well done to Taylah, Nat and Caprice for some great shooting; Alice and Bree for your defence skills in the shooting circle; to Nik and Georgia for sticking to your partners and producing a lot of taps on the ball which went in our favour; to Chloe and Kaylee for the centre position (one of the hardest places to play on such hot days), but you girls did well with you both offering and re-offering when needed; congrats also to Caprice and Nat who not only covered a shooting position but also WA today.

Girls we will continue to work on court positioning and more strategized game plays, as I think this suits the type of team we are. Thank you to Veronica (Georgia's mum) for scoring this week. I would also like to thank all the parents for getting the girls to the courts an hour earlier, I really appreciated it as it gave me an opportunity to position the girls using a whole court.

Mob: 0414 686 204 **Email: kimchambers@optusnet.com.au**

A great win for the Novas this week and I would like to send a big welcome to Emma who has joined our team, you fitted in perfectly. We really came together as a team today showing some great skill in both ends and our mid court making some great choices and playing our own game. We were more patient and controlled today and this created some great passages of play. We had a few changes today being able to change our defensive girls Kaitlyn and Britt up to the shooting end and they stepped up to the challenge putting some great shots up and combining well. Rosie and Jess again proved to be a formidable combination, working much better today, showing some great teamwork in the circle. Our mid courts Brittany and Emma combined well with some excellent passing through the middle. Lydia again put pressure on the ball and created turnovers with her persistence. Well done Novas.

Phoenix vs Dayboro Heatwaves
Mob: 0404 833 009 **Email: juniordirector@pineriversunited.org.au**

In this week's edition of the Phoenix report there is a story of a team that had skill, speed and unmatched athleticism..... Ooops sorry watching the wrong court there haha just joking the ladies of team Phoenix came out of fire this week.

Missing 2 players from our All Star line with Andrea and Debbie out we were looking little short on numbers to take the court so I made the call to the Inter teams for some help. Answering our SOS was Helen sending us a dynamite player by the name of Kiana. Helen sorry to tell you this but you aren't getting Kiana back it's been voted unanimous by the ladies that she is our newest member of team Phoenix.

The might of team Phoenix took on the new look Dayboro outfit in what was a matchup of unknown prospects. As we discussed our game plan before the match of what we had been doing over the weekend so far and what was planned for Saturday night there was a quiet feel of confidence in the ladies that had been unseen before.

With game plan in motion the ladies were set to their position with Jodie GS, Tracey GA, Anna WA, Kiana C, Amanda WD, Leanne GD and Van Mo GK we moved onto the toss of the coin well we looked for a coin but everyone realised that their kids were up the canteen spending them so a game of Rock, Paper, Scissors was used to decide who had first centre. Doing this I can tell you don't have a game of this with Amanda she is dead set a shark at this game.

Everyone lined up into their positions and with this the whistle went and it was game time. Phoenix came out of the blocks like a bull at a gate with Kiana, Anna, Tracey and Jodie putting on an attacking clinic. The ball was being feed terrifically into the shooting circle and Jodie hitting the shoots like the hoop was the size of a garbage bin. Our defensive wall of Amanda, Leanne and Van Mo made life hard for Dayboro to get the ball into their shooting circle.

With team Phoenix on a mission and playing out of their skins with some terrific play I was left catching flies with my mouth wide open in amazement of how good they were playing. With the seating for the spectators at capacity of 15 to 20 people the atmosphere was electric and people were going crazy over the game. It was impossible to hear yourself think on the court as a couple players put it the crowd was so loud. There was even report of Fox sports leaving the ever boring Swifts game to show highlights of the game on court 13 at PRNA.

It was a terrific performance this week from the team and to celebrate our new post-match celebration of going back to the club for a drink was started. We invite any other teams that would like to come back for a drink after their games to also come back and have a good laugh and relax.

That is this week's Phoenix report so until next week keep smiling everyone ☺

Round 5: Saturday 12 April at 2.00pm Court: 13 Versus: Blues Marlins

 **Div 6 - Centauri**
Organiser: Leanne Rasmussen

Centauri vs Blues Marlins

After a loss to Phoenix last week, Centauri have walked away with a win after versing The Blues. We had our pocket rockets Nerida and Di in the mid court firing off on all cylinders. Kim, Debbie and Julie on fire shooting goals and our defenders Leanne, Nerissa, Vanessa and Kaylene contesting the ball at every opportunity. Not to forget Kerry who was our cheerleader on the sidelines!!! A special mention this week goes to Kaylene in the position of GK with a few great intercepts in the last quarter. Well done girls!!! Training is on Thursday if you can make it.

Round 5: Saturday 12 April at 2.00pm Court: 14 Versus: Pinecones Opals
