PRNA GROUND DUTIES FOR UNITED - ROUND 12, 21 JUNE

Full details of the expectations of this duty follows. A member of the PRNA Executive Committee will perform a patrol of the grounds at the completion of each game during the game and if necessary we will be called over the speaker system to address any issues – PLEASE DON'T LET THAT HAPPEN FOR UNITED. Failure to fulfil Grounds Duty WILL attract a \$150.00 fine.

26 TEAMS AND THEIR SUPPORTERS WILL BE INVOLVED

When putting the bin liners in the bins please give them a flick to open them out a bit and try to secure them to the bin to stop them from falling in. Speaking from experience, it is not fun to try to empty a full bin when the bin liner is sitting in the bottom with all the rubbish on top – yuck!

Wheelie bins are to be emptied regularly during the day into the big JJ Richards industrial bins out the back of Control. The wheelie bins near the canteen are constantly full – therefore need constant emptying. This is an adult job as the bins are quite heavy to lift. Bags must be tied before being put into the industrial bins.

Managers will be bringing plastic shopping bags for their players and at the end of each game will ask the players to take a bag and to walk around the perimeter of their line of courts eg. 1-5, 6-10, 11-15, 16-20 and pick up any rubbish they see as well as then to keep collecting rubbish on the way out to their cars. This includes all the grassy areas off to the sides of the courts and in front of courts 1-5; AND THE CAR PARK.

All equipment is located in the large sheds. Bin liners, toilet paper etc. is located in the cleaning room (access via ladies toilets, door on right as you enter). Please ensure all equipment is returned neatly to its correct place

ALL DAY - ATTENTION ALL UNITED STARZ PLAYERS AND SPECTATORS

As well as the above duties, we expect **ALL** Starz members to pick up ANY rubbish lying around **during the day**. There are only 4 teams playing at the 3.30pm round and they should not be left with a full day's worth of rubbish to pick up if our other 22 teams do their bit.

Toilet Duty - yes everyone knows this is a yucky job, but on this day it is OUR responsibility to ensure that the toilets (boys and girls) are clean ALL DAY. At the end of each round could we ask that the Managers quickly check the toilets and pick up any paper and rubbish from the floor and put in the bins provided. If you use the toilet during the day and see a bit of a mess, please clean it up. Don't forget the toilets behind Control will also need to be checked.

PLEASE REMEMBER THAT THE PRNA OPEN/CLOSE IS A 'CLUB' DUTY, NOT A 'UNITED STARZ COMMITTEE' DUTY. WE HAVE 26 TEAMS OVER 220 PLAYERS AND THEIR SUPPORTERS, WITH SEVERAL TEAMS PLAYING AT EACH TIME SLOT. IF EVERYONE DOES JUST A LITTLE BIT DURING THE DAY, THE TASKS WILL BE COMPLETED QUICKLY AND EFFICIENTLY!!

SATURDAY 14 JUNE - WHAT A GREAT DAY

What a great day of rainbows as Pine Rivers United Sports Club came together to support Zaidee's Rainbow Foundation. With sales of the shoelaces, lolly guess and

Julie's home baking we donated around \$1,000.00 to the Foundation.

We hope our Starz had a great week at training and stepped up to the challenge of getting a rainbow goal – I know a few of our senior teams struggled © The Annual PRUSC Charity Netball Game again lived up to all the hype around it. What a sensational evening of fun. Congratulations to the Football Division on your win. It was also great to see our local MP Seath Holswich joining in and unveiling his hidden talents as a GK. The lolly jar was won by our Local Councillor Mick Gillam with an exact guess of 444.

Well done to all the Twinkles girls this week... Wow what a great win to the girls, with all the girls scoring a goal. It was truly wonderful to see the girls working as a team. Shanae, Kasey, Kianna, Jade, Lilita, Amy, Mykaela and Holly showed us some amazing ball skills, and were all outstanding in all positions. They all chased the ball and worked hard in defence and attack... Well done girls!

The Boost Juice award this week goes to Miss Holly. Holly returned to netball a couple of weeks ago after a broken arm. She gives 100% at every game at any position. Her positive attitude to netball and kind nature makes her this week's champion... Well done Holly!

A well deserved win against strong competition. We can stand tall as a team as we stuck together and trusted each other today and it was heartening to see. Sometimes in netball, games become more about beating the opposition and not about playing to enjoy the game. BUT I think as a team we always play because we love the game of netball and we enjoy the contest. Let's refocus on the last game before we have some time off for holidays.

A close game from start to finish, a real roller coaster to watch. To our credit we were in front at each quarter but just couldn't get a real hold of the game to take a convincing lead. It at times wasn't pretty to watch with quite a few errors and silly options taken, but at other times the team showed some great passages of play, which is very promising and shows we have the skills to be a quality side. We just need to focus more and play with more consistency. We definitely made it hard for ourselves to take this win!

Our Boost Juice player of the day goes to Isabel. She provided some excellent defence in the circle and wonderful intercepts with those go go gadget arms. Her back up play today was exceptional. Well done Isabel.

Today's game started slowly, the girls looked a little lost out there and were finding it difficult to get a roll on. They started warming up in the 2/3rd quarters with a few changes in positions to see if we could help them be consistent within their game. Stepping was our downfall of the day, and not listening to umpires calls lost us time. However that is netball and ongoing learning, the girls were good at tipping, clean intercepts by the defence in the circle and shots by the shooters. Brothers had a good defence side that made our shooters move and drive forward to receive passes instead of relying on lobs. We will always work on your stepping in training but please read the Rules of the Week and watch a game of netball just to see your position and how it looks from that level.

My player of the day is Danae....she played with a sore knee throughout and got us most of our turnarounds...she didn't want to go off, she kept strong and determined which I admire.. Last week's player of the day was Candice for having the confidence to shoot with 2 feet instead of always stepping in.. Great work girls..Julie & Erika and supporters. Great work

I am still overwhelmed with this game on Saturday, the 1st time we played Pinecones we lost by 15, 2nd time we lost by 19 so we decided to take the pressure off ourselves and enjoy the game, we weren't worried about who we were playing they were just another team with players that love to play netball just like us. Our first goal and only goal was to make sure that we were having fun. We have been saying all season that your team is capable of beating anyone and on Saturday you proved it and the main thing is that you proved it to yourselves. Belief ladies is very powerful. Girls, I have not been more proud of you than I was on Saturday. You came out firing first quarter and kept up the intensity all game! Last time we versed this team we posted by something like 20 points, but this time it was way less! And if we are lucky enough to verse this team again I have no doubt you can beat them! We also welcomed back Tayla from injury this week, and it was clear the problem in previous weeks was missing a piece of our family. With the whole team now back playing, I definitely think the next couple of games are ours to win with effort and determination. You can do it girls!

Good win girls but we let our guards down for the last quarter. I think we were feeling a little bigheaded and comfortable in keeping the opposition down to 5 goals in the first three quarters. They beat us in the last quarter and scored 7 goals. No resting on our laurels we have to keep up the effort for the entire four quarters. Maddison great game – just try to remember to pace yourself. Twins, I see so much experience with your positioning and that makes me really happy. Let's keep up with our improvement girls so we can take this to the finals.

Good win today girls although a very slow start from everyone. The first half was close and then we continued to build and gain momentum in the second half. We have some strong connections out there, Britt and Kaitlyn continue to impress in the circle with some great teamwork and awareness of each other, which in turn created some magnificent intercepts. Lydia again provided some great back up play and controlled her player well, keeping her well contained. Our mid courters, Brittany, Cass and Emma are always consistent and reliable and are showing some powerful leads and good options around the circle. Rosie and Jess are combining well and today their shooting averages were excellent. They worked well and with the help of the mid courters displayed some real good circle rotations. A good win girls.
